Dear IA Patron:

Thank you for your past support of the Indianola Academy Booster Club. We would like to ask for your continued support by renewing your membership for the 2017-18 school year.

In recent years our Booster Club helped IA with Legion Field's new press box, reel mowers for our football, baseball, softball and soccer fields, re-crowding the playing surface of the football field, retractable seating in the gymnasium, new turf and drainage improvements to the baseball and soccer fields, new lighting for the baseball and football fields, and has provided equipment to help our kids improve in their sport. These improvements would not be possible without the generous support of our Booster Club members.

Your membership fee is tax deductible and will go to help fund future improvements for the students of Indianola Academy. Please consider supporting the Booster Club again this year by selecting a membership level and include a check made payable to the IA Booster Club Inc.

Thanks again for your support!
