

## **NOTICE OF RISK**

We have taken enhanced health and safety measures for those who come to our campus—students, employees, and visitors. While on campus you must follow all posted instructions. An inherent risk of exposure to COVID-19 exists in any public space where people are present. COVID-19 is a contagious disease. If infected, you may exhibit no symptoms or mild symptoms, or become severely ill, or die. According to the Centers for Disease Control and Prevention, senior citizens and persons with underlying health conditions are especially vulnerable. By visiting our campus, you voluntarily assume all risks related to the possible exposure to COVID-19.
