

The IA Family mourns the passing of Coach Ray Bridges. He passed away late last night in the hospital in Indianola. Coach Bridges has been an important part of our coaching staff for over 9 years. He was a wonderful Godly man who shared the love and enthusiasm he had for Christ with everyone he met. He had a tremendous impact on the kids he taught and coached, as well as, the people he worked with. He was a great help to us all and his presence and witness on our campus will be greatly missed. He was a true blessing to the IA Family and we will always be grateful for his service. We ask that the IA Family be in prayer for Mrs. Sissy and Coach Bridge's daughters.
